<p>Review the Scenario</p> <p>A Redacted restaurant line is planning to launch a new gourmet hot sandwich next quarter. Last time a similar item was launched, restaurants received numerous Redacted complaints about long wait times and inconsistent quality specific to the item. The Redacted who prepare these items have raised concerns that the recipes are extremely complicated to follow, and they don't feel sufficiently prepared when new menu items launch. Currently, the recipes are being printed and posted on the prep station wall ahead of product launch and no other dedicated training is provided.</p>
